

Development Services

The 2016 edition of the California Building Standards Code will go into effect on January 1, 2017.

Due to closure of the Development Services Department on December 26-30, the last business day which projects can be deemed complete for review under the current 2013 edition of the California Building Standards Code will be **Friday, December 23, 2016**.

All projects deemed complete for review by DSD **after Friday, December 23, 2016**, shall conform to the 2016 edition of the California Building Standards Code, as amended.

The 2016 edition of the California Building Construction Codes include the following codes as amended by the City of San Diego:

- 2016 California Building Code
- 2016 California Residential Code
- 2016 California Fire Code
- 2016 California Mechanical Code
- 2016 California Plumbing Code
- 2016 California Electrical Code
- 2016 California Energy Code
- 2016 California Historical Building Code
- 2016 California Green Building Standards Code
- 2016 California Existing Building Code
- 2016 California Referenced Standards Code
